

NEW! **RIP™ STEM**

Straight from the Titec Sub80 Lab™ comes the most advanced aluminum stem Titec has ever produced – Rip™. Developed using the best in computer-aided design, stress analysis, and state-of-the-art five axis milling technology, we precision machine Rip™ from a solid piece of 7000 series aluminum. This process yields a stiff yet lightweight stem with a beautiful weld-free finish. When Rip™ is combined with a Titec C3™ 31.8mm handlebar of your choice – you will be riding the stiffest and best steering XC combo available!

Material	7075 - T6 Aluminum
Construction	Precision Machined with 4-Bolt Handlebar Clamp & 2-Bolt Steerer Clamp
Steerer Dia	1 1/8"
Bar Clamp Dia	31.8 mm
Lengths	90, 105, 120 mm
Rises	0°, 10°
Weight	205 g
Color	Black Anodized with Laser Logos
	***  Knock-Rated

FAT-HEAD™ TI

Material	Aerospace Grade 3 AL / 2.5 V Titanium with 6 AL & 4 V Machined Bosses
Steerer Dia	1 1/8"
Bar Clamp Dia	25.4 mm
Lengths	90, 105, 120, 135 mm
Rises	0°, 10°
Weight	150 g
Color	Natural Titanium Finish with Titec Logos

FAST-AL™

Material	6061-T6 Heat Treated Aluminum
Construction	Tig Welded with Extruded and Machined 2-Bolt Handlebar Clamp & 1-Bolt Steerer Clamp
Steerer Dia	1 1/8"
Bar Clamp Dia	25.4 mm
Lengths	90, 105, 120, 135 mm
Rises	0°, 10°
Weight	185 g
Color	Black Anodized with Shot-Peened Finish, Laser Logos & 3D Decal

BIG-AL™

Material	6061-T6 Heat Treated Aluminum
Construction	Tig Welded with Extruded and Machined 2-Bolt Handlebar Clamp & 2-Bolt Steerer Clamp
Steerer Dia	1 1/8"
Bar Clamp Dia	25.4 mm
Lengths	90, 105, 120, 135 mm
Rises	0°, 10°
Weight	200 g
Color	Black Anodized with Shot-Peened Finish, Laser Logos & 3-D Decal

**LIL-AL™**

Material	6061-T6 Heat Treated Aluminum
Construction	3D Forged with Extruded and Machined 2-Bolt Handlebar Clamp & 2-Bolt Steerer Clamp
Steerer Dia	1 1/8"
Bar Clamp Dia	25.4 mm
Lengths	105, 120, 135 mm
Rise	7°
Weight	215 g
Color	Black Anodized with Shot-Peened Finish & Laser Logos

**BLOCKHEAD™**

Material	6061-T6 Heat Treated Aluminum
Construction	Tig Welded with Extruded and Machined 4-Bolt Handlebar Clamp & 2-Bolt Steerer Clamp
Steerer Dia	1 1/8"
Bar Clamp Dia	25.4 mm
Lengths	45, 60, 75, 90 mm
Rises	0°, 10°, 25° <i>(45 mm available in 0° rise only.)</i> <i>(90 mm available in 10° rise only.)</i>
Weight	230 g
Color	Black Anodized with Shot-Peened Finish & Laser Logos

**KNUCKLE SANDWICH™**

Material	6061-T6 Heat Treated Aluminum
Description	Two Piece Symmetrical Stem Design with 4-Bolt Handlebar Clamp & 2-Bolt Steerer Clamp
Steerer Dia	1 1/8"
Bar Clamp Dia	25.4 mm
Length	50 mm
Rise	0°
Weight	525 g
Color	Black Anodized with Shot-Peened Finish & Titec Etched Logos
